MR. IRVIN F. YOUNG
PRINCIPAL

DEDICATION

We at West High have come a long way from the little red school-house and its headmaster. But we are sure that no school boy or girl of yesteryear had a more beloved "head master" than we. Mr. Young is our capable and respected Principal. Because he is also our guide, our counselor, and our friend, we, the Class of 1952, wish affectionately to dedicate to him this book.

In The Little Red School House

As the theme of our 1952 Annual we have chosen *In the Little Red School House* since the things we will always remember about West are the same as those remembered by the students of that much older red school house. The classes, the wonderful friends, the school activities, even detention, all will be a pleasant part of our memories for years to come. The fun of the Variety Shows, from "Band" to "Tax Stamp", the class play, and the wild excitement of a basketball or football game are parts of our school life which never will, and never should be forgotten. Many of us are leaving West this year, more will leave in the future, but we are sure that every West grad, and particularly those of 1952 will always look back fondly to the days when he was a student in "The Little Red School House."

January Graduates

The January graduating class of "52" had a very busy and wonderful Senior year which started with the election of officers. The honored classmates were President, Dwight Reynolds; Vice President, Jerry Johnson; Secretary, Nancy Johnson, and Treasurer, Marcia Patridge. The election of officers was followed by the ordering of name cards and invitations. Two dollars and fifty cents was collected from each member of the class for class dues. In December, the Seniors held an informal dance in the school gym and later decided to sponsor an outdoor movie as their class project. The movie was held at Miles' West Broad outdoor theatre and proved to be a successful project for the graduating seniors. With graduation day just around the corner, the class decided that it was time to be measured for their robes, after all, they were starting a precedent, for this class was the first January graduating class at West High to wear caps and gowns.

The long-awaited day, January 16, finally came into view, that was the day of the Senior Prom. The theme for the dance was "A Garden in the Rain" and to carry out the theme, each girl was presented with a small umbrella. The couples danced to the refrain of Jimmy Lee's band and a wonderful time was had by all.

Baccalaureate was held at the Glenwood Methodist Church on January 20 with Reverend Shellhaas officiating. Three days later, on January 23, Commencement was held in the auditorium of West High School at which time the graduating Seniors received their diplomas.

Thus, the January graduating class of 1952 ended their twelve years of school, some to continue with their education, others to enter the business world but all of them to have the fondest and happiest memories of their Senior year and West High School.

June Graduates

As soon as the officers were elected, the entire June class got down to work at raising money for their Prom. Dues were squeezed out from piggy banks and pay checks and plans drawn up for the various money making projects.

The mixer, called the "Mad Plaiders Plaid Party" was held in the gym in November and a class sponsored dance given after a basketball game Feb. 1. The most hectic time of all perhaps was when the name cards arrived and each and every Senior was pestered with cries of "Gimme a name card," as they rushed around collecting cards from their classmates. (The Senior lunchroom was a madhouse.) Pictures, of course, were a big and important item to everyone.

Perhaps no one realized just how close graduation was, however, until April 1, when it was time to order announcements. Then, on May 2, came the Class Play, "Cheaper by the Dozen," with Suzi Johnson, Ted Johnson, Marilyn Cramer, and Sue Keller. The lovely costumes

and fine acting made it one of the best and funniest plays ever given at West.

Time began to run out as the Senior Banquet rolled around on May 20. The beautiful and never to be forgotten Senior Prom was held on May 28, and the sharp-looking suit-clad boys with their girls dressed in fluffy formals were a sight to behold.

The frothy formals and new suits were exchanged, however, for caps and gowns for Baccalaureate services on the following Sunday, June 1. Smiles were mixed with tears at the Graduation services Wednesday, June 4, and some who thought it would be mela to leave found themselves wishing that they could have their Senior year over again. They will never forget the wonderful fun of the mixer and Prom, the other good times, the Senior lunchroom, the football and basketball games, the dances and the parties that they have enjoyed, nor will they forget their class and their Senior year. It was wonderful.

JUNE MIXER

The June class mixer was an event never to be forgotten by anyone who was there. The square dancing was the best ever, and the games, especially "Stoop" were wonderful fun, even if they were a little rough at times. Entertainment was provided by the quartet of George Brown, Carole Robinson, Susie Willis, and Jack Martin. Marylou Campbell's dancing and Marylou Tilton's singing were also very much enjoyed by the class.

JUNE PROPHECY

School days are over for the 12A's now, as far as dear ole West is concerned, but I'm sure we'll never forget the fun and tribulations we have shared. We are now going to look ahead to the year of 1972. The class of '52 is having a reunion in their "Little Red School House" of West High. Many of us have unusual and interesting jobs in life, so let's take a look—

Arriving early to the reunion of the class of '52, we see Reverend *George Brown* greeted by the principal of West, *John Whalen*. Standing to the right of Mr. Whalen, we find Vice Principal, *Della Anthony*. Walking a little further down to the gymnasium, where the reunion is to be held, we see, well, for goodness sake—if it isn't *Diane Renollet* with her six sets of twins. (My, seems she has been quite occupied these past few years.) Entering the gymnasium, we see several faculty members, among them are, *Jean Recob*, French teacher; *Marilyn Miller*, Spanish teacher; *Carol Echols*, journalism teacher; and *Eleanor Cozad*, chemistry teacher. The guests who have already arrived are: *Barbara "Dusty" Adams*, now operating a great-dane farm; *Myrna Burwell*, now manager of a beauty salon; *Shirley Anderson*, owner of a used car lot; *Nancy Timmons*, now traveling with the Ringling Bros. Circus; and *Marilyn Davis*, now a public stenographer.

Busily checking coats, we see *Ed Lantz*, now head bouncer at the Floria Nite Club. Assisting him we see *Jerry Imes* and *Bob Keeler*, head waiters at the Club Floria.

For the people who have brought their children, two experienced baby-sitters have been selected to take care of the little darlins', they are *Micky Cherup* and *Kenny Garber*.

All of a sudden we hear a loud noise coming from the hall. As we run out, we see—*Jack Martin*, and *Bert Heyder* going over their old cheers.

Arriving just in time to see this calamity, we find *JoAnne Verhoff*, and *Sue Vawters* now airline stewardesses for the B. & O.

Just pulling up in his cadillac we see *Dr. John Pitts*. As he walks toward the door, he meets his old choir friends, *Joe Dickson*, and *Paul Forgrave*, now singing commercials over television.

We also see the Mayor of Columbus, *Jerry Witherspoon* arriving with his private secretary, *Sally (queen) Billingsley*.

Mounting the steps, we see prominent politician, *Fred Koerner*, accompanied by body guards, *Janet Dunkin*, and *Meredith Hegenberger*.

Wait—some idiot is running down the hall dribbling a basketball. Who is it? None other than *Shirley Dunham*, now playing star forward with the "Glamazons."

Now arriving to the reunion we see *Marilyn Cramer*, *Dolly Fladt*, *Mary Kellar*, *Nancy DeShazor*, and *Hettie Martin* now owners of their

own hospital.

Rushing through the crowd, we see telegram boy *Ed Tone*, delivering a message from opera star *Mary Lou Tilton*, that she is unable to attend the reunion for she has just signed a new contract to travel to France immediately.

To quench the thirst of all the guests, we find *Pat Rickel*, *Janet McDermitt* and *Carol Moore* serving cookies and punch at the refreshment stand. Incidentally, these three have their own tea room located on the corner of Hollywood and Vine. Carol told us that while flying to Columbus, for the reunion, they met airline stewardesses *Carol Perry* and *Barbara Wesley*, now flying with T.W.A. Also on the same airplane was *Andy Anderson*, Ambassador to France.

Strolling over towards the refreshment stand we see *Diane Hilf*, *Dotty Rickman*, *Shirley Wilking*, *Carol Knierim* and *Sonia Meisner* now operating a Turkish Bath in Poland.

Just arriving from Japan where they have been doing missionary work, we see *Priscilla Woodward*, *Pauline Swisher*, *Juanita Shaver*, *Dolly Evans*, *Laura Pannabecker*, *Kay Knisley*, *Margory Ingram*, *Mary Hunt*, *Kathryn Davis*, and *Oretta Ashton*. These girls plan on going to Europe to continue their missionary work following the reunion.

As we gaze toward the door, we see some of the guests, arriving late: *Mert Steed*, now a jockey in Kentucky, *Susanne Thirtyacker*, now an orchestra leader in New York, *Mary Alshire*, now city bus inspector, and *Shirley Levengood*, a bubble-dancer at the Kliveoria.

Pulling a wagon full of the newspapers she edited herself, we see *Barbara Furry*, also arriving late, as usual. With her we see her business executive, *Barbara Wendell*.

Seems they were having a little trouble down the hall with some guy by the name of *Al Harris*—can you imagine—he was trying to bring his motorcycle inside with him.

Well, all the guests have arrived, some of which we have not named, for they are going to provide the entertainment for our reunion.

Walking out to the mike we see our two M. C.'s: *Jim Murray*, and *Nina Bates*. Nina announces our first act, which is a Salvation Army Band consisting of, *Janet Allen*, playing the drums; *Shirley Budd*, on the trombone; *Pat Craig*, piano; *Nancy Davis*, cornet; *John Woda*, violin; *Bob White*, flute, and *John Current*, saxophone.

Mr. Murray announces the next act, which are three new acrobatic stars—*Dave Lockwood*, *Tom Bucy* and *Don Mers*. These boys have been performing quite frequently abroad as well as in their native country.

The next act is a more serious one, consisting of a girls quartet of *Olympia Pappas*, *Ina Willis*, *Lois Reeder*, and *Carol Robinson*. These girls have become quite famous not only for their

Ye Olde Remembrances

"We've got to meet the deadline." This sentence is spoken by every member of the Annual staff when it comes time for the West High Annual to go to press. Every member is busy arranging interviews, selling advertisements, attending meetings and writing stories many months prior to time of publication.

The amount of work necessary to publish an annual cannot be judged by anyone who has never had any contact with journalism. Every piece of print has to be written, typed, checked, sent to the printer, proof-read, and then pasted in a dummy annual. Pictures are sent through somewhat the same process, and when everything is put together and sent to press, the entire staff breathes a sigh of relief. The finished product justifies all the work and everyone has a good time doing it, however. The staff this year was, Editor-in-chief, Barb Furry; Assistants, Mary Frances Young and Ruth Starkey; Art Editor, Terry Hitt; Artist, Jack Taylor; Copy Editor, Shirley Dunham; Identification, Diane Renollet. J. Curtis Allen was the official photographer.

SH! JOURNALISTS AT WORK!

BUSINESS ADVERTISING CLASS

Jerry Imes soliciting advertising.

The members of the business ad class have a very responsible job. This small group obtains most of the money for the school paper and annual.

At the beginning of each term these students are given a list of business places both on the Hilltop and downtown. They then solicit these businessmen and ask them to buy advertising in the school paper. Many of the businessmen take ads for the entire length of the school term, thanks to the good salesmanship of the business ad department. Their worries do not end with this, for then they must obtain advertising enough to fill about 40 pages of the annual in order to save the West students from paying the additional amount for their annuals.

Miss Gladys Bowen is the faculty advisor for this group.

DEADLINE-OR ELSE!

Deadlines, bylines and copyreading is all a part of the Occident Staff. It is a thrilling experience to publish a school newspaper. It isn't always easy writing some of the stories, nor is it easy meeting some of the deadlines, but it is a wonderful feeling that you are part of the school paper.

The first big obligation you have to your paper is to really be interested in it, then you will love every bit of work you put in it.

Members of the staff were: Editor-in-Chief, Mary Frances Young; Feature Editor, Marilyn Weller and Marjory Ingram; Exchange Editor, Suzie Richards; Sports Editor, Jay Swisher; Photographer, Jack Howell; Typists, JoAnn Wilson, Vera Adams; Reporters, Shirley Dunham, Diane Renollet, Charlene Souslin, Olympia Pappas, Gayle Acker, Carol Echols, Shirley Deitchle and Dick Coffey.

"Shh, quiet please!" These are common words of the library monitors. This staff of students is constantly busy during one period each day when they act as assistant librarians.

Some of the duties of this staff includes: collecting, filing, and returning library permits; checking books out and locating overdue books; shelving books and magazines, working in the reserve room, and taking attendance slips to the office.

The library monitors are honor roll students usually in Senior High, and they must be able to give up their studyhall without harming their grades. They must be able to help younger students locate books needed for special projects.

Many of the assistant librarians are planning on doing library work in the future.

LOADS OF STARS

Lo, a Star! was presented to the students of West High during the 1951 Christmas season by the 12A Dramatics Class.

The play was based on the birth of the Christ Child and all the gifts of great value He received. The gift that made the star shine was the blanket given to the Christ Child by a little orphan girl.

SUMMER PLAYHOUSE

"Cheaper By the Dozen" was presented by the 12A Dramatics club on Friday, May 2.

The play gave us an inside look of a big family and how they operate. The father thought they should operate like a factory while the mother thought it should run according to plan.

The children were all devilish but very loving. Even the school teacher and the maid provided laughs. Everything combined together gave us our Summer Playhouse of Stars.

The West High Choir composed of seventy voices brought fame to West High during its 1951-52 season. Called upon by many organizations to sing for them, the choir became very well-known throughout Columbus. For the first time in the history of the West High Choir, they entered the District Contest and came out with a superior rating, which only two other schools in Columbus were able to attain. Throughout the year, the choir appeared in many different programs among them being the City-wide P.-T.A. Pageant held at Central High School. Annual Christmas Pageant and the Annual Spring Festival, also held at Central High.

The Spring Musical held at West High in May is an annual affair as is also the Christmas program.

The caroling in the halls during the Christmas season is remembered by all and many heart-warming memories are added to your collection by having the opportunity to belong to this choir.

Although there is a great deal of serious work to be done in choir, the moments for fun and laughter also come and much merriment is had by all.

The person responsible for the excellent work which is being done by the choir is none other than the wonderful director Mrs. White.

The West High Dance Band is West's own Guy Lombardo and Harry James put together. It plays both hot and sweet and provides music for all occasions.

These musicians, under the direction of Clair Barnard, have numerous duties, for they play for all noon dances and practically all of the dances after the athletic events. They play for special dances and provide the background music for both the Variety and Sales Tax Stamp Shows. On Wednesday, February 20, the band played for a dance at the State School for the Blind.

- 1—West's pride and joy, the West High Rockettes perform with precision, and are rather nice to look at, too.
- 2—One really messed-up quartet is Carole Robinson, George Brown, Jack Martin and Susie Willis singing "Down Yonder".
- 3—Nancy Wilson became the new sensation at West High when she sang "I Ran All the Way Home", in a style all her own.
- 4—Joint Emcees for the show were "Duck" Jacques and Nina Bates who did a fine job.

It's Mardi Gras time at West and everyone is having a good time.

West High's French Club was a very large and active club during '51 and '52. The purpose of this club was to study French customs, music, and literature; and to learn to speak the language more fluently. At the monthly meetings many outside speakers visited the club speaking the native language.

Among the year's highlights were: the Christmas party at Bob Johnson's home, the January Mardi Gras which the French Club sponsored with the Spanish Club, and of course, "Des Americains a Paris," the skit given at the March assembly.

The 1952 officers included: Alan Hopkins, president; Olympia Pappas, vice president; Ann Cockfield, secretary; Nancy DeWitt, treasurer; and Mary Lou Campbell, program chairman.

The faculty advisor was Miss Leona Glenn, French teacher.

The year's projects included: The Mardi Gras which the Spanish Club sponsored with the French Club; the city-wide party at Linden McKinley High School; and of course, the Pan American Assembly in April.

The West High Latin Club grew to an "all time high" during 1951 and '52 with nearly 80 members. The purpose of this club is to learn to better appreciate the classical language and literature.

This year the Latin Club was awarded the "Hildesheim Vase" by the Junior Classical League of Oberlin College. This vase is awarded each year to a Latin department rendering outstanding service. West was the first Columbus school to achieve this honor.

In early April the Latin Club gave a stirring skit of Cicero and Catiline at an assembly. The last of the skit was a comedy. The characters included all the members of the Cicero Class. The Club ended the year with the Roman Banquet which was a huge success.

The 1952 officers were: Ruth Garn, president; George Brown, vice president; Shirley Kanavel, secretary, and Jim Kindig, treasurer.

The faculty advisor was Miss Margaret Campbell, Latin teacher.

Eleanor Cozad and Gayle Acker polish the vase won by the Latin Department.

Throughout the year, many parties and picnics are held at the homes of the members. The Club's most important social function of the year is the Annual Triangle Dance for which nine queens are elected. Queen Annabelle Allard representing the Seniors reigned supreme during the Triangle Dance with Donna Demmler and Barbara Hunter representing the Sophomores and Juniors respectively.

The busy season was brought to a close with a weiner roast and formal initiation.

Allied Youth is a non-political, non-sectarian organization for young people, with national headquarters in Washington, D. C. It works entirely in the field of education, recreation, and personality development, stressing particularly the alcoholic problem.

The aims of this organization are to assist youth through emotional crises revelent among young people over the question of social drinking, to provide a fellowship which makes it easy to be popular and still say "no" to drinking; and builds a well adjusted life and personality pattern in which there is no place for alcohol.

The meetings are every second and fourth Thursdays. Mr. Lehman is the advisor, and the fees are 50c.

Along with Mr. Lehman, Jim Garrett and Joan Lehman attended the national Allied Youth Conference at Buck Hill Falls, Pennsylvania.

SOME SUNDAY MORNING

Hi B. A. members meet in room 317.

The Hi B. A. is an interdenominational Christian club, organized for the purpose of prayers, Bible study, and to create Christian fellowship.

Our meetings are held every Friday morning at 8:00 A. M. and usually consist of hymn singing, Bible study and prayer.

The outstanding social event of the year is the banquet in June honoring the graduating seniors.

We recognize the great need of Christianity in America and are endeavoring to help others have a stronger faith in God, and thus helping them to have more zeal with which to serve our Creator. By so doing, we have a little part in preserving our freedom.

The Irvin F. Young Chapter of the Future Teachers of America Association was organized in 1948 at West High School and named for our principal.

The purpose of the F. T. A. is to help students interested in any phase of teaching to discover some of the advantages and disadvantages of the profession. This year the club boasts nearly twenty members.

The club has grown during the past years under the direction of Miss Pauline Sparrow, faculty advisor. This year's officers were, Carol Cristee, Barbara Moras, JoAnne Horn, and Eleanor Cozad. The club was operated on a point system whereby members earned service points for activities that increased their understanding of teaching methods.

The formal initiation took place in January. This was a very inspiring service which will long be remembered.

Throughout the year several teachers of West and other schools gave talks and offered suggestions to the club members. The year was brought to a fitting close with a picnic where a good time was had by all, even though the seniors had to say good-bye. Many of them were going to college to use the information gained in F. T. A.

Carol Echols proves her point as she chats with a group of F.T.A.'s after a meeting.

Y-Teens give farewell banquet to January graduates on January 22.

The largest membership in the city was held by the Y-Teens of West High. Many outstanding social events were sponsored throughout the year by Y-Teens.

Among the first events to be held was the Pigskin Frolic which was followed by the Christmas Program at which time all the clubs contributed chocolate bars for the children of Europe.

Many Y-Teens gave ten hours of service to some charitable organization and were therefore able to qualify for Links.

Spring was ushered into the picture with the sponsoring of "Sadie Hawkin's Dance" in which all the gals had a chance to ask their favorite beau to the dance being that it was leap year. The Annual Senior Banquet was given by the underclassmen and the season reached its climax when the lovely Rainbow Prom was held on June 5.

Queen Sally and her escort, Jim Murray.

Friday, October nineteenth was the biggest day in Sally Billingsley's life. On that date she was crowned West High's 1951 Homecoming queen.

The band led in three convertibles bearing the Homecoming queen and her court. In the first convertible was Queen Sally and her escort, Jim Murray. Olympia Pappas and Ann Durham with their escort George Brown rode in the next convertible, followed by Marcia Patridge and Jerry Cline, escorted by Dwight Reynolds.

At half time, a planned ceremony was presented in honor of Sally and her court by the band. Jerry Johnson, the captain, presented Sally with the traditional kiss.

Saturday night a dance was held in honor of the queen and her court. Queen Sally was presented with a necklace and bracelet set, and each girl on the court received a bracelet.

The spirited West High Cowboys enjoyed a successful season under Coach Mack Pemberton. The Cowboys were led all season by All-City Halfback Charlie Hunter. Hunter also received All-Ohio Honorable Mention. Jerry Johnson, Ted Johnson, Eddie Gleibs, Jerry Trabue, and Jim Kimball were mentioned on various All-City Teams.

The Cowboys won their first three games before they lost to Central, who won the league championship, but had to forfeit because of an ineligible player. West then lost to a powerful Hamilton team. The Cowboys then defeated Aquinas in the homecoming game and followed by defeating North 20-19, in the last four seconds on a pass from Jerry Johnson to Jerry Trabue. West defeated Linden and East the following weeks.

After Central forfeited the championship, West was declared champion, but also had to forfeit all of its games but one and therefore the championship, too. There was no official champion declared after that.

Coaches George Williams and Fred Heischman.

1. West's Warren Stevens, No. 13, goes high to intercept a pass during an exciting moment in the first game with Central. Although the Cowboys fought hard, West lost, 70-42.

2. Dick Hutchinson, No. 21, tangles with London players in one of the most exciting games of the season. Nip and tuck all the way, the final buzzer showed West ahead, 63-61.

Row 2: Coach George Williams, Dick Hutchinson, Jerry Trabue, Bert Heyder, Bob Thornton, Bill Voss, Jerry Johnson, Sam Zavatsky.

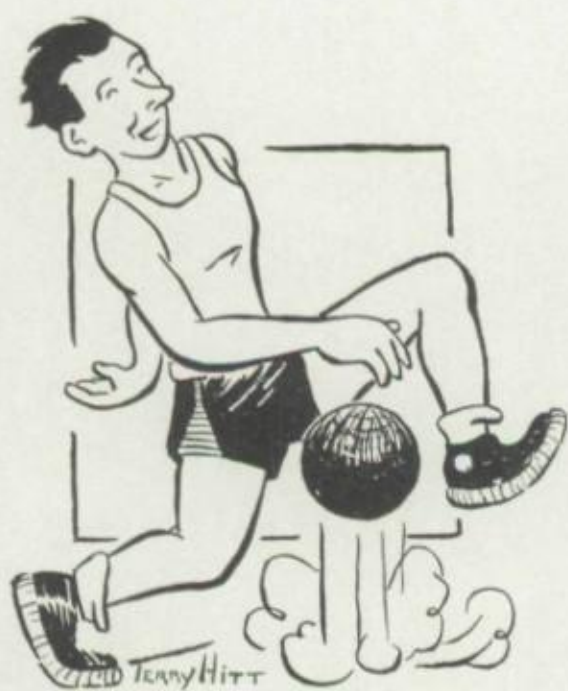

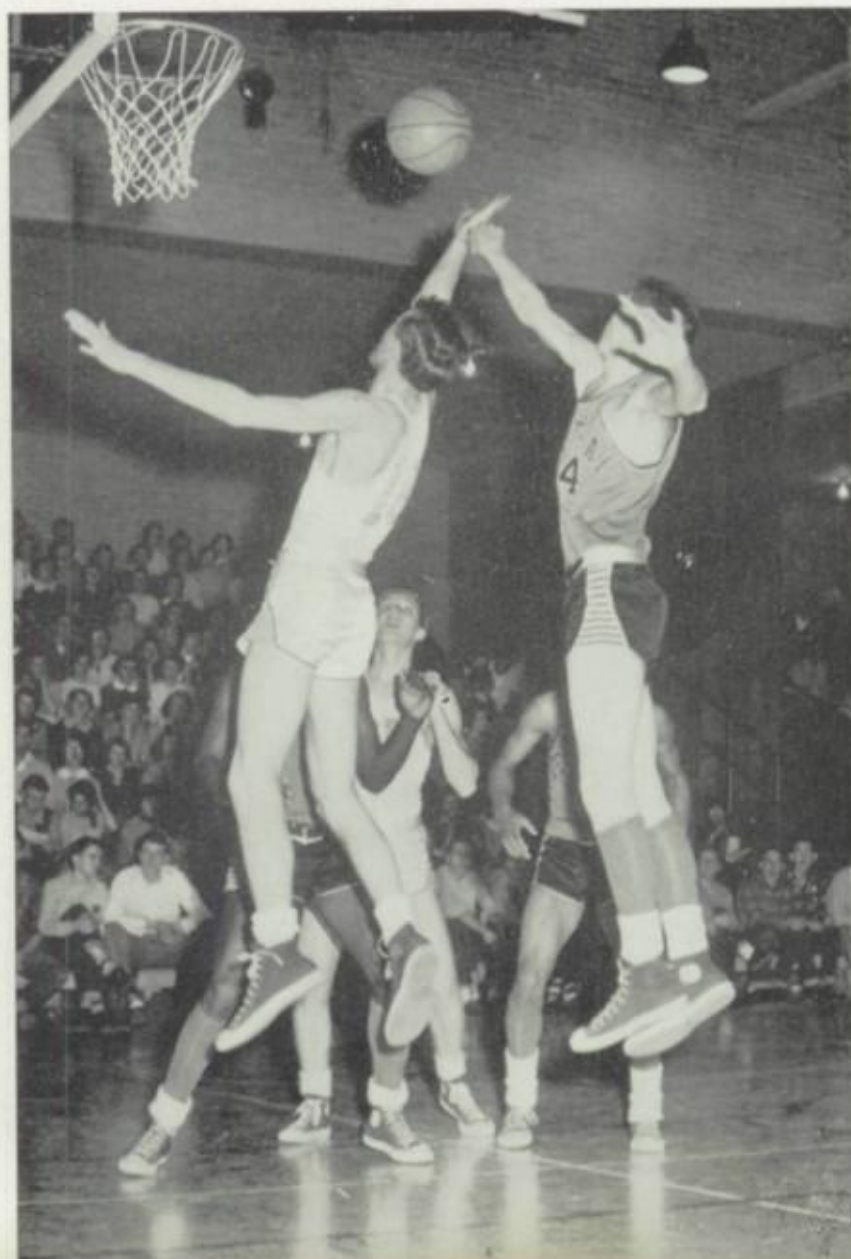

Although one East player looks dog-tired, East had no trouble in taking this game, 65-50.

West players are just innocent bystanders in this shot as three East players try for a rebound.

Thornton again, and this time he gets the rebound and makes the shot, adding an important two points to the score. West won this game, 60-56, in a surprising upset.

Dick Hutchinson, Bob Thornton and Coach Williams discuss tactics during a practice session.

Bob Thornton and teammate Jerry Trabue jump for a rebound in their fight with the Irish at Aquinas. Aquinas came out victors 64-48.

Every player but one is visible in this shot from the South game at the Coliseum. South won 65-50.

JOHNSON, HAIRE WIN AGONIS, HAUNTZ AWARDS

AGONIS AWARD

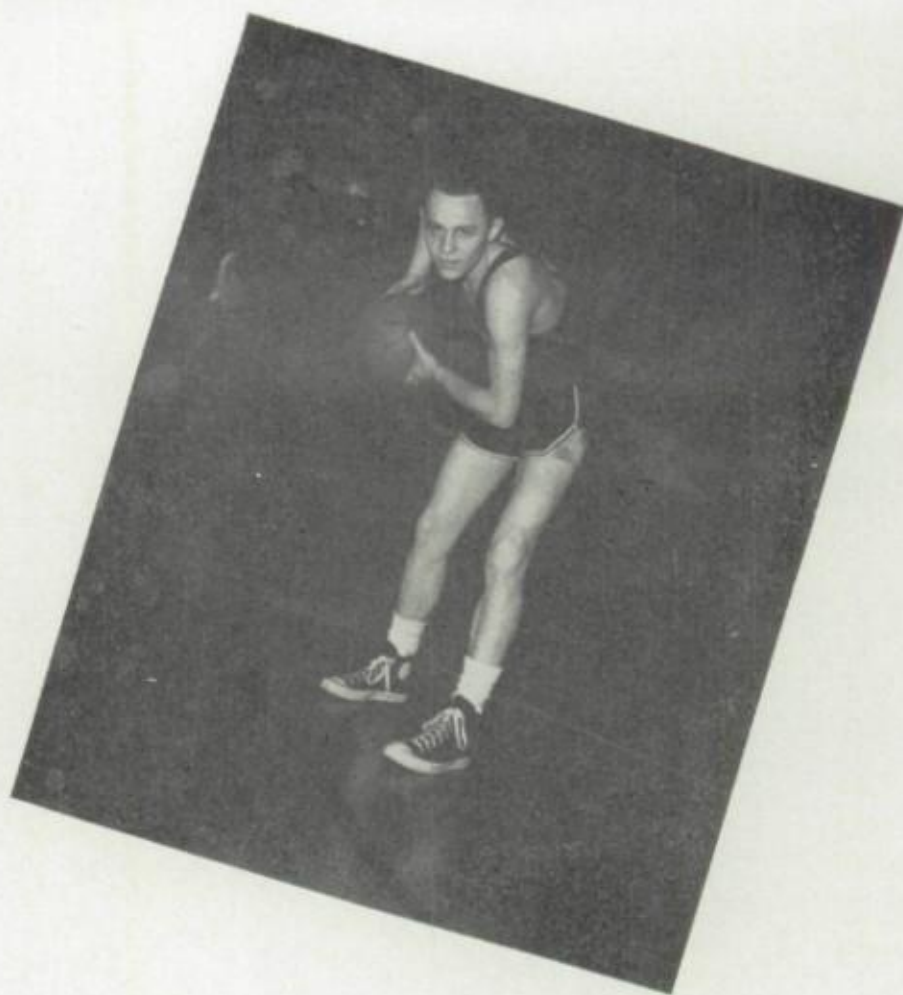

Senior Ted Johnson was the athlete-scholar to win the coveted Agonis Award this year.

Ted, a very popular fellow, participated in football and track. He was a quarterback at the beginning of the football season but was switched to end where he excelled. Ted was All-City at that position. When spring came he donned track shoes and was one of the outstanding performers on the cinder path. Ted ran in both the high and low hurdles and competed in the high jump.

HAUNTZ AWARD

The annual Ray Hauntz Award went to junior athlete-scholar Bill Haire. Bill, an IIA, participated in football, basketball, and baseball. He was elected president of the student council and was on the varsity squad in all three sports.

Bill has the equivalent of two and one-half letters, which is one of the requirements for a candidate winning the Hauntz Award. He is also a good scholar.

COWBOYS IN MIDST OF LEAGUE PLAY

The West High baseball team, under Coach George Williams, is in the midst of a fairly good season. The Cowboys have won 4 and lost 2 in league play. They lost a non-league game to St. Charles and also to Bexley in their district tournament game.

West lost its first game to Linden, but came back with Bob Thornton on the mound to win impressive victories over Central and Aquinas. West lost to South on the loser's rough diamond but beat Linden and North 6-1 and North 3-2.

Even though the team has made many mistakes, they have shown a will to win and a fighting spirit in their first eight games. 1952 Games (Up to May 2)

ROPE 'EM COWBOYS

Our West High rope twirlers have participated in many activities this year. One of the most important was the 36th Annual Principals' Meeting at the Netherland Plaza in Cincinnati and a feature story in the Columbus Dispatch Magazine section. They also entertained at football games, schools, and in the annual Citizen Christmas Parade.

Girls' Amazons Anonymous

"To acquire self-control and self reliance, to be ready to give as well as to take, to cooperate with others for the welfare of the club, to develop in myself an appreciation of the finer things of life" is the creed of the G. A. A.

Following a talk given by Miss Joyce Halstead, an exchange teacher from England, in October, a tea was given in her honor, thus starting off a year of activities for the members of the club. Christmas was observed by the giving of gifts to needy families and a party with refreshments after school on Dec. 19.

January graduates were honored with a farewell banquet Jan. 3rd at Westgate Church.

The highlight of the year was the annual Girls' Basketball Tournament with the Seniors capturing the title for the second straight year. The games were hard fought ones with the towering Seniors coming out on the top end to defeat the Juniors 26-17, and the Sophomores with the overwhelming score of 30-7. Miss Maryann Brooks reigned supreme after being crowned "Miss Senior" at half time by the Senior Co-captains.

A banquet feting the June graduates was held in Pomerene Hall May 14, and this ended another year of fun and hard work.

JUNIOR HIGH PRESENTS THANKSGIVING PLAY

Shortly before Thanksgiving, the 9A dramatics class presented the 2-act comedy, "Elmer Plays John Alden," to both junior and senior high schools.

The entire play centered around Elmer, who was trying to learn a part in the church play. Thinking the play to be quite childish, Elmer proceeded to learn his part, accenting the wrong words, and making many other mistakes, which added to the humor of the play.

quartet, but as individual singers. They all four now reside in their own mansions in New York.

Our next act is quite surprising to most of us, for this young lady has just recently taken up this act. *Shirley Mercer* and her "Magic Twirling Rope."

Next on our program we have a boys ballet ensemble, doing an excerpt from the famous ballet, "The Red Shoes." The participants of the group are, *Ted Johnson*, *Whitey Smith*, *Johnny Chesher*, *Jim Coontz*, and *Jim Hallsteine*. The ballerina starring with this group is none other than *Mary Lou Campell*.

The next act has appeared before large audiences in Carnegie Hall the last few months and will leave for California next week. They are: *Donna McKnight*, *Dolores Moriva*, and *Colleen Greene*, doing a tap dance on ice.

Following the dance act, we see the latest Paris creations modeled by professional Vincent models, headed by *Durward Vincent*. The models are, *Pat Whitley*, *JoAnne Thomas*, *Martha Shaffer*, *Barbara Severance*, *Beverley Pickens*, and *Mary Lou Hoover*.

Carole Price, now owner of the Price Advertising Corp., flew in from New York to be with her classmates. Accompanying Miss Price was *Jack Taylor*, Vice-President of the Corporation. These two are giving a demonstration on printing, and art. By the way, we would like to mention that the terrific orchestrations for our talent show are being provided by *Bill Rayburn*. Some of the members of the orchestra are vocalist, *Lou Anne Reeves*; pianist, *Shirley Osborn* trumpet, *Jim Adams*; flute, *Dick Gilbert*; trombone, *Lewis Profer*; and *Ivan Timmons* on the Conga Drums.

Next on the program is that breath-taking juggling act of *Hugh Hendershot*, *Myron Davis*, *Lois Bluhm*, and *Glenda Hudnell*. These people have appeared before the crowned heads of England.

Now comes the sore throat gang, they are *Gypsy Goode*, *Jocelyn Smith*, and *Bernice Harris*. they have their own show called "Swordinia." They are professional sword swallows. Also traveling with this show is *Sally Leibensperger*, tattooed Lady; *Jean Forrer*, snake charmer, and *Grace Fritchen* and *Jim Higgins* with their slimy seal act. Next comes the freak act consisting of *Frank Ackers*, plaster man, and *Bill McCune*, the only man in the world who can lift 10,000 lbs. with one finger. Thus ends the freak show.

Now for our last act we find the famed Westettes: *Maryanne Brooks*, *Nancy DeWitt*, *Ann Durham*, *Suzie Jennings*, *Suzi Johnson*, *Sue Keller*, *Gloria Russell*, *Barbara Suver*, *Marilyn Story*, *Nancy Volz*, *Marilyn Weller*, *Linda Yaple* and *Mary Frances Young*. Thus falls the curtain on the entire entertainment.

Grab your partners and dance to the calling of *Ramona McGinnis*! Remember now that there will be winners of this dance. Accompanying

Ramona we see the fiddler *Stu Nichols*, the piano picker is *Fred Oberting*, and last but not least the bass fiddle player, *Tom Cox*. The winners of this "har" dance is (spit-boinggg!) *Klyde Moore* and *Liola Scott*. They may be old but they "sho" can cut a rug.

Hey, what's this—some one yelling "Journallll," Journall Night Green!" Yes, it's *Charlene Sousslin*. Buying a paper to see the latest results at Beulah Park, we see late arrivals *Perry Creed*, *Jack Delph*, and *Dave Fuller*. These guys have been quite busy as owners of a large horse stable. After the group has square danced for quite some time, a good old-fashioned Hokey Poke is called. Leading the dance is none other than *Jim Labrenz* with his "loud speaker." Having a little trouble trying to keep up with the fast steps is *Josephine Johnston*, she has been quite ill lately with her collapsed ear drum.

Exhausted from the ordeal of the day, the graduating class of '52 is quite tired and ready to head for home. As they pass through the halls they see *Sue Beeson*, *Marjorie Bender*, *Virginia Bigelow*, and *Naomi Birtcher* heading towards the kitchen. They have cheerfully volunteered to do all the dirty dishes. We may mention that these ladies have made a successful living by opening their own department store, "Lacey's" in New York.

Three guests are knocked down by a group of excited girls—just entering the building. Finding out they were away too late for the reunion the girls are quite hurt. They are: *Lois Brofford*, a French hair stylist in Germany, *Arlene Fields*, a member of a Girls' Pro Ping Pong team in Siam, *JoAnne Flowers*, a lion tamer for a traveling carnival, *Shirley Gill*, a Burma Shave sign builder, *Nancy Hiland*, a commercial singer for radio studio N.U.T.S., and *Patty Lamprecht*, a shoe salesman in southern Africa.

In the gymnasium now, starting to sweep, we see, *Lowell Manns* and *Charles Payne*. They have been working at the "Mayiety" lately, (that's work?) as head bouncers.

Right on the job is the "Kill 'em Cab Co." with 8 of the best drivers ever. They are: *Dave Priest*, *Alan Hopkins*, *Bill Sanderson*, *Russell Shonting*, *Henry Teeters*, *Bill Weese*, *John West*, and *Dick Wilson*. But wait—another cab company has sent some of their cabs, too. It's the "Powder Puff Pretties" Cab Co. Drivers of these cabs are: *Joan Lannon*, *Donna McWilliams*, *Marilyn Morgan*, *Wilma Russell*, *Sylvia Sanders*, *Barb Stewart*, and *Marguerite Thomas*. As we drive toward the Air Port in these jet-propelled cabs, we see the one person we have not yet found at our 1952 reunion. If you look real hard over toward one of the airplanes, you will see a young man boarding that plane carrying a big sign. Looking closer, we see that it is *Eddie Glieds* with a sign reading, "Best of Luck Always to the Class of '52."

So You Got a SHEEPSKIN?

*"To know that we know
what we know, and that
we do not know what
we do not know—
that is true knowledge!"*

Thoreau

Don't be tricked by lovely lettering and the parchment quality of your diploma. It is not a golden key to success. It only symbolizes graduation from high school.

Some of you will go to college . . . some will

take jobs and launch a career . . . some will go to war . . . But whatever your plans, the effort and determination behind them is worth more than any diploma.

This is America's top secret!

When an American marks his X on a ballot, he can be certain of one thing. Nobody knows for whom or what he has voted. It's his secret. No one can influence or coerce him when he votes—and no one can penalize him for how he voted.

The secret ballot is one of the big secrets of a strong America. People who can vote without fear or reprisal offer little opportunity for would-be Hitlers and Stalins to take over. And while dishonesty can creep into government, the secret ballot is the one sure way honest citizens can stamp it out.

Communists would be delighted to see the secret ballot eliminated. Their kind of government doesn't succeed unless they can *tell* you how to vote. And after all, communism offers only *one* party to vote for!

We in America must make many sacrifices to combat Communist ambition. But one thing we must never sacrifice is the priceless right to think and vote according to our consciences. Nor must we ever give up any of the rights that keep this country free and independent.

IT'S A FACT! You no longer have to put up with those unpleasant cooking odors throughout your home . . . if you install D. O. Air Filters in your forced air heating or air conditioning system. X-56 is the secret . . . an exclusive ingredient in the filter adhesive that actually absorbs those objectionable odors, and still performs the dust-removing function of ordinary filters. R-P washable filters can be made odor-removing too . . . ask for D.O. Kote, the odor-removing adhesive for home application.
